

PROBLEM BELOW THE BELT TOO BIG FOR A LITTLE PILL?

DON'T IGNORE IT. FIX IT.

When medication isn't the answer,
discover a permanent solution to ED.

You are invited to attend a
FREE Men's Health Seminar:

When drug therapy or other treatments for erectile dysfunction (ED) aren't effective, there's no need to give up hope for a satisfying sex life. A prosthetic penile implant may provide a permanent solution to restore your quality of life and your most intimate relationships.

"Effective Treatments for Erectile Dysfunction (ED)" presented by Urology Associates Drs. Mian and Yap
Tuesday, June 15th --Sign-in begins at 6PM

Bellin Health Hospital-Kresge Center 3rd Floor
744 South Webster Ave., Green Bay, WI 54305

Light Refreshments Served

Space is limited --RSVP today by calling (920) 445-7373

American Medical Systems, Inc. has co-sponsored funding for this patient educational material, which is intended to provide general information about services and products.
