

October 31, 2017

Dear Supporter,

Thank you so very much for your generous support of The Bellin Health Foundation's 12th annual Black Tie & Blue Jean Extravaganza! We sincerely appreciate your attendance and generosity to help myTEAM TRIUMPH.

This year, our event raised **\$120,000 (a new record!)** These net proceeds will enable myTEAM TRIUMPH to provide an invaluable service to people with disabilities, including Bellin patients and families, through their unique and proven program. This could include the purchase of therapeutic equipment, such as race chairs, hand cycles and transport vehicles which will in turn allow myTEAM TRIUMPH the opportunity to serve thousands of individuals annually!

Our success was attributed to the participation of over 500 guests and volunteers that made the evening special. Your help, through sponsorships, the purchase of silent and live auction items as well as our raffle item and the new "Red Arrow" mobile bidding experience is greatly appreciated and will make a difference for our patients and families. Events like this do not happen by themselves. It takes the talented efforts of many to make it happen. Special thanks to our entire committee of event volunteers for their contributions towards the planning and execution of this successful event.

Photos from our event are viewable by going to www.accentphotographybykim.com and clicking on the large "Black Tie & Blue Jean Picture Link" on the home page.

We would love to hear from you about your experience. Please call our office (920) 433-3731, send a note (744 S. Webster Ave., Green Bay, WI 54301) or send an email to amy.stach@bellin.org to share your feedback. We look forward to next year's event in September, 2018. Our event date will be determined upon the release of the Green Bay Packers 2018 schedule. We hope that you will again be part of the fun!

On behalf of the entire planning committee, thank you for your very generous support of the 2017 Black Tie & Blue Jean Extravaganza!

Sincerely,

Steven J. Maricque
