Dear 2019 Black Tie & Blue Jean Extravaganza Supporter,

Thank you so very much for your generous support of The Bellin Health Foundation’s 14th annual Black Tie & Blue Jean (BTBJ) Extravaganza! We sincerely appreciate your attendance and generosity to help Bellin Psychiatric Center’s School Based Mental Health Services and Business and Community Health’s service of Youth Mental Health First Aid.

This year, our event raised **\$133,207; a new record!** These net proceeds will benefit elementary, middle and high school students in nine different school districts and more than seventeen different school locations in NE Wisconsin who are in need of mental health services.

Our success was attributed to the participation of over 500 guests and volunteers that made the evening special. Your help, through sponsorships, the purchase of silent/live auction items, restaurant pick envelopes, as well as our two raffle items is greatly appreciated and will make a difference for our community’s youth and teens. Events like this do not happen by themselves. It takes the talented efforts of many to make it happen. Special thanks to our entire committee of event volunteers for their contributions towards the planning and execution of this successful event.

Photos from our event are viewable by going to [www.accentphotographybykim.com](http://www.accentphotographybykim.com) and clicking on the large “Black Tie & Blue Jean Picture Link” on the home page.

We would love to hear from you about your experience. Please call our office (920) 433-3731, send a note (744 S. Webster Ave., Green Bay, WI 54301) or send an email to [amy.stach@bellin.org](mailto:amy.stach@bellin.org) to share your feedback. We look forward to next year’s event in September, 2020. Our event date will be determined upon the release of the Green Bay Packers 2020 schedule. We hope that you will again be part of the fun!

On behalf of the entire planning committee, thank you for your very generous support of the 2019 Black Tie & Blue Jean Extravaganza!

Sincerely,
