PURPOSE

This conference is designed to update primary care clinicians in rapidly changing therapeutic areas. The emphasis is on practical and useful information for clinical practice.

INTENDED AUDIENCE

This conference is designed for clinicians interested in expanding their knowledge and improving their practice in primary care including primary care physicians, physician assistants, nurse practitioners, and other allied health care professionals.

DISCLOSURE

As a provider accredited by the Wisconsin Medical Society, Bellin Health Systems, Inc. must ensure balance, independence, objectivity, and scientific rigor in all educational activities. All individuals who are in a position to control the content of the educational activity are required to disclose all financial relationships he/she has with any commercial interest(s) that is relevant to the topic of the presentation. The intent of this disclosure is not to prevent speakers with significant financial or other relationships from making presentations. Rather, disclosure allows listeners to determine if content is evidence-based and free of commercial bias, and it demonstrates how speakers will resolve conflict when it exists. A complete disclosure statement will be provided to activity participants prior to the commencement of the educational activity in the materials distributed.

FINANCIAL SUPPORT

This course is supported in part by exhibit fees from various companies in accordance with the ACCME Standards for Commercial Support. At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

CANCELLATION POLICY

In the event you need to cancel your registration, the registration fee, less a \$50 administrative fee, will be refunded if you notify us by September 20, 2019. No refunds will be given after September 20, 2019.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Wisconsin Medical Society through the joint providership of Bellin Health Systems, Inc. and ThedaCare. Bellin Health Systems, Inc. is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

CME CREDIT DESIGNATION

Bellin Health designates this live educational activity for a maximum of 13.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PHYSICIAN ASSISTANTS, NURSE PRACTITIONERS, AND OTHER ALLIED HEALTH CARE PROFESSIONALS

Physician assistants, nurse practitioners, and other allied health care professionals who participate in this CME activity may submit their Statements of Attendance to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

ADA COMPLIANCE STATEMENT

Bellin Health Systems, Inc. subscribes to the articles of Title III of the Americans with Disabilities Act of 1990. Should you or anyone accompanying you require special assistance, please notify us when you register.

CORE COMPETENCIES

This activity has been developed with consideration given to the American Board of Medical Specialties Six Core Competencies. This activity is designed to increase competency in the areas of Patient Care, Medical Knowledge, Practice-Based Learning and Improvement, Quality Improvements, and Employ Evidence-Based Practice.

CONFERENCE PLANNING COMMITTEE

James Jerzak, MD, Chair
Donn Fuhrmann, MD
Kathryn Jacobs, MD
James Zach, MD
Laura Stebnitz, PA
Brooke McComb, APNP
Scott Schuldes, APNP
Jennifer Frank, MD, Co-Chair
Christopher Klimek, PA
Tricia Hendricks, Administration
Mary Sallenbach, Medical Staff Services

OBJECTIVES

1. Integrate current trends in preventive health care into patient care strategies.
2. Analyze the clinical presentation of the common disorders seen in primary care and identify the role of primary care in the management of these common problems.
3. Utilize current advances in the diagnosis and treatment of these common problems, using whenever possible, an evidence-based approach.
4. Discuss the history, science, and evidence of commonly encountered therapeutic areas.
