Board of Directors
The Bellin Health Foundation, Inc.
Green Bay, Wisconsin

Dear Members of the Board:

We have audited the financial statements of The Bellin Health Foundation, Inc. (the "Foundation") for the year ended September 30, 2016, and have issued our report thereon dated January 23, 2017. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility Under Auditing Standards Generally Accepted in the United States

As stated in our engagement letter dated August 4, 2016, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States (GAAP). Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. As part of our audit, we considered the internal control of the Foundation. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Other Information in Documents Containing Audited Financial Statements

The auditor's responsibility for other information in documents containing audited financial statements does not extend beyond the financial information identified in our report, and we have no obligation to perform any procedures to corroborate other information contained in a document. Our responsibility is to read the other information and consider whether such information, or the manner of its presentation, is materially inconsistent with information, or the manner of its presentation, appearing in the financial statements. We are not aware of any documents or other information containing audited financial statements; and, furthermore, management has not requested us to devote attention to any documents containing audited financial statements.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to your representatives, Mr. Jim Dietsche, Mr. Kevin McGurk, and Ms. Sara Arndt, in our meeting about planning matters on August 8, 2016, in addition to our engagement letter dated August 4, 2016, accepted by Mr. Dietsche on behalf of the Foundation.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Foundation are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended September 30, 2016.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge of and experience with past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the present value of the unconditional promises to give. We evaluated the key factors and assumptions used to develop the estimate and found it reasonable in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

We proposed no audit adjustments that could, in our judgment, either individually or in the aggregate, have a significant effect on the Foundation's financial reporting process.

Disagreements With Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated January 23, 2017, a copy of which accompanies this letter.

Management Consultations With Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. To our knowledge, management has not obtained any opinions from other independent accountants on the application of GAAP that would affect the Foundation's financial statements or on the type of opinion which may be rendered on the financial statements.

Board of Directors
The Bellin Health Foundation, Inc.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Foundation's auditors for the preceding year. However, these discussions occurred in the normal course of our professional relationship, and our responses were not, in our judgment, a condition of our retention.

We appreciate the opportunity to be of service to The Bellin Health Foundation, Inc.

This communication is intended solely for the information and use of the Board of Directors and management and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

Wipfli LLP

This representation letter is provided in connection with your audits of the financial statements of The Bellin Health Foundation, Inc. (the "Foundation"), which comprise the statements of financial position as of September 30, 2016 and 2015 and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects in accordance with accounting principles generally accepted in the United States (GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief as of the date of this letter, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated August 4, 2016.
2. The financial statements referred to above are fairly presented in conformity with GAAP.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of GAAP.
7. All events subsequent to the date of the financial statements and for which GAAP requires adjustment or disclosure have been adjusted or disclosed.
8. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter.

9. The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with GAAP.
10. Material concentrations have been properly disclosed in accordance with GAAP.
11. Guarantees, whether written or oral, under which the Foundation is contingently liable, have been properly recorded or disclosed in accordance with GAAP.

Information Provided

12. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the Foundation from who you determined it necessary to obtain audit evidence.
13. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
14. We have no knowledge of any allegations of fraud or suspected fraud affecting the Foundation involving:
 - a. Management.
 - b. Employees who have significant roles in internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
15. We have no knowledge of any allegations of fraud or suspected fraud affecting the Foundation's financial statements communicated by employees, former employees, regulators, or others.
16. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
17. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
18. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with GAAP.
19. We have disclosed to you the identity of the Foundation's related parties and all the related party relationships and transactions of which we are aware.
20. The Foundation has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any material asset been pledged, except as disclosed in the notes to the financial statements.
21. The Foundation has identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates, and we believe the estimates are reasonable in the circumstances.

22. There are no estimates that may be subject to a material change in the near term that have not been properly disclosed in the financial statements. We understand that near term means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations existing at the date of the financial statements that make the Foundation vulnerable to the risk of severe impact that have not been properly disclosed in the financial statements.
23. We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us; and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives.
24. We have complied with all restrictions on resources (including donor restrictions) and all aspects of contractual and grant agreements that would have a material effect on the financial statements in the event of noncompliance. This includes complying with donor requirements to maintain a specific asset composition necessary to satisfy their restrictions.
25. The internal controls over receipt and recording of received contributions are adequate.
26. The Foundation has classified net assets as unrestricted, temporarily restricted, or permanently restricted based on its assessment of the donor's intention, as specified in original donor correspondence, when available. When not available, the Foundation used other corroborating evidential matter, including minutes of the board, accounting records, and financial statements. To the extent that it was unable to review original donor correspondence to determine the amount of the original gift and donor additions, its determination of such amount was based on its best estimate considering the relevant facts and circumstances. Amounts classified as temporarily restricted are subject to donor-imposed purpose or time restrictions that precluded the Foundation from expending such amounts or recognizing such amounts as unrestricted as of the balance sheet date. Amounts classified as permanently restricted are subject to donor-imposed or statutory restrictions that require these amounts to be held in perpetuity. In addition, the Foundation has classified appreciation and income related to such donations in accordance with relevant donor or statutory restrictions. Losses on investments of a donor-restricted endowment fund have been classified in accordance with GAAP. Reclassifications between net asset classes are proper.
27. The Foundation is an exempt organization under Section 501 (c)(3) of the Internal Revenue Code. Any activities of which we are aware that would jeopardize the organization's tax-exempt status, and all activities subject to tax on unrelated business income or excise or other tax, have been disclosed to you. All required filings with tax authorities are up to date.
28. Management believes that mitigating controls, including departmental review of monthly financial and wage information, are sufficient to address deficiencies in internal control, including access controls, within an acceptable level.

To the best of our knowledge and belief, no events, including instances of noncompliance, have occurred subsequent to the statement of financial position date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.

Sincerely,

Steven Maricque
President
The Bellin Health Foundation, Inc.

Jim Dietsche
Vice President - Chief Financial Officer
Bellin Health Systems, Inc.

Sara Arndt
Accounting Team Leader

Bellin Health Foundation, Inc.
Unadjusted Differences Schedule
September 30, 2016

EFFECT IF ENTRY IS MADE INCREASE (DECREASE):

W/P Ref.	Description	Assets	Liabilities	Net Assets Before Income	Excess of Revenue over Expenses	Previous-Year UDS	True Current-Year Profit and Loss Effect
B.F.F.4	Undersatement of Mochos Trust/revenue	\$ -	\$ -	\$ -	-	(9,072)	9,072
	Total unadjusted differences	\$ -	\$ -	\$ -	-	(9,072)	9,072

Conclusion:

Based on our evaluation of the unadjusted audit differences, both individually and in the aggregate, as well as a consideration of qualitative factors and the possibility of undetected misstatements, we are not aware of any material modifications that should be made to the financial statements in order for them to be in conformity with the Organization's financial reporting framework.
