

PROVIDER'S OFFICE

Schedule an appointment by calling your clinic, going online at mybellin.org, or by calling 24/7 Nurse on Call.

PRIMARY CARE MEANS FIRST CARE

They are your first line of defense, they are often the first to notice the small changes in your health that could signal bigger problems, and seeing them should be your first health care priority.

YOUR PRIMARY CARE TEAM

- Maintains your detailed medical history
- Understands your unique healthcare challenges
- Recognizes changes, both large and small, in your health
- Recommends specialists for your more complex health care needs
- Answers questions and addresses concerns regarding your health care
