

## **Video Visits on MyBellinHealth with Computer**

### **Video Visit Requirements:**

1. To conduct a video visit from home on your computer you will need:
  1. An active MyBellinHealth account. If you do not have an account, or have forgotten your user id or password, please call (888) 899-9114, available 24 hours/7 days a week, prior to your video visit appointment.
  2. Computer with internet access, web cam, and a microphone.
2. It is important that you test your equipment and the ability to connect to the video visit 15 minutes before your scheduled visit. You may need to download the Video plug-in during the testing phase.

### **To Schedule your Video Visit via Your Computer:**

1. Log into your MyBellinHealth account by going to [mybellin.org](http://mybellin.org)
2. Select the Visits tab and then select Schedule an Appointment from the drop-down menu
3. Select Video Visit from the options
4. Follow instructions to schedule your Video Visit
