

**You are invited to be part of the 2017 Black Tie & Blue Jean Extravaganza, hosted by The Bellin Health Foundation.**

The Black Tie & Blue Jean Extravaganza is an original event in which participants are invited to mix and match formal and casual dress or adapt to the event theme. This year's theme is **The Wild, Wild West**. Our 12<sup>th</sup> annual event will be held Saturday, September 16<sup>th</sup> from 6:00pm to 10:00pm at the Lambeau Field Atrium. Reservations to this public event are \$110 per person. Table sponsorships for \$1500 are available, as well as a variety of major sponsorship opportunities.

A new beneficiary is selected each year to receive the proceeds from this event. Our recipient this year is **myTEAM TRIUMPH!**

Imagine the challenges people with a disability face...the feeling of isolation and depression due to their disability. Imagine feeling a lack of optimism about facing your many life challenges and not feeling like you have a purpose in life.

myTEAM TRIUMPH provides an invaluable service to these individuals, including Bellin patients and families through their unique and proven program. This program improves many dimensions of the health of people with disabilities by building an inclusive community where people with diverse abilities come together to encourage, support and lift one another up! This is done through a teamwork approach which guides and supports people with disabilities whereby able bodied volunteers, called angels are paired with an athlete with a disability, called captains. One captain is paired with one or more angels to train for and participate in a community endurance event, such as a road race or triathlon.

Funds raised from the Black Tie & Blue Jean Extravaganza will allow myTEAM TRIUMPH to accomplish this mission to build a more inclusive community. This could include the purchase of

therapeutic equipment, such as race chairs, hand cycles and transport vehicles which will in turn allow myTEAM TRIUMPH the opportunity to serve thousands of individuals annually!

We have an opportunity to provide myTEAM TRIUMPH services to patients and families at Bellin Health and in our community. Through your participation in the Black Tie & Blue Jean Extravaganza, you can make an enormous positive difference in the lives of people with disabilities!
